AIRUS CATALOGUE JUNE 2022

Welcome TO THE WORLD OF GREAT

Welcome to the world of Great

I was thrilled with GreatWhite's vision of providing an extraordinary lifestyle and was fascinated by the revolutionary products that the brand has developed in the home electrical space. The brand has redefined the meaning of comfort with solutions that are not only innovative but at the same time environment friendly too. The idea of creating a comfortable lifestyle with a sustainable environment is the true meaning of luxury and this enticed me for the association with the brand.

With this association as brand ambassador of GreatWhite, I feel privileged to promote luxury and comfort to consumers across the globe. The world is changing and I believe the need for convenience and safety is the need of the contemporary world. Brand's philosophy of providing a better life with innovative and ultra - modern solutions resonates with my personality. Moreover, the commitment towards work and relentless efforts to create the products of exceptional quality and standards, sync with my belief.

I welcome you to this journey of luxury indeed to a World of Great.

Tiger Shroff for GreatWhite

Tiger Shrott

The Saga Of LUXURY, INNOVATION AND PERFORMANCE.

Since our inception, we have been striving to provide an extraordinary lifestyle and we have reached billions of homes and created a legacy in home electrical space since 5 decades. We started our journey with a vision to make comfort and luxury a reality. With passion, relentless efforts and commitment we have developed quality and innovative solutions in the home electrical space. Starting with new age switches, then moving on to efficient switchgears, foraying into energy efficient LEDs and innovative Home Automation solutions and now we are proud to introduce Fans.

With extensive research and development and support of ultra-modern technology, integrated with best manufacturing practices, GreatWhite brings you a wide range of Ceiling Fans, table fans, pedestal fans, wall fans, ventilation fans and exhaust fans. Manufactured with high guality materials and with minute details in designing, GreatWhite Fans are perfect examples of form and function.

At the heart of GreatWhite lies Innovation, luxury and performance. At GreatWhite, we leave no stone unturned to raise the quality of life and therefore, we create solutions that harmonize design and technology. Join us in the journey of possibilities, in the journey of Great.

AIRUS

Home is a place where one experiences utmost pampering and relaxation. To make your living space more comfortable with a breeze of fresh air, GreatWhite brings you Airus series of Ceiling, Table, Wall, Exhaust, Ventilation and Pedestal fans. Having established as a renowned brand in home electrical space with new age switches, energy efficient LEDs, smart automation solutions and switchgears. now we are proud to introduce Airus Fan range that is a perfect blend of form and functionality. We understand a fan today is not only an appliance but it's an important part of your home décor. With extensive research and development, passion, commitment and diligence, we have created the designs that deliver 'Flying Wali Feeling'

With a proper research in design and material, Pixcel ceiling fan has evolved with design aesthetics and correct proportions. With its many stupendous features to show off along with its

IXIRY

style, it's a perfect piece for your ceiling. Be a trendsetter and let your guests turn head towards the fifth wall of your home and get bowled over by amazing looks while experiencing the utmost comfort.
