Welcome to the world of Great!

I was thrilled with GreatWhite's vision of providing an extraordinary lifestyle and was fascinated by the revolutionary products that brand has developed in the home electrical space. The brand has redefined the meaning of comfort with solutions that are not only innovative but at the same time environment friendly too. The idea of creating a comfortable lifestyle with a sustainable environment is the true meaning of luxury and this enticed me for the association with the brand.

With this association as brand ambassador of GreatWhite, I feel privileged to promote luxury and comfort to consumers across the globe. The world is changing and I believe the need for convenience and safety is the need of the contemporary world. Brand's philosophy of providing a better life with innovative and ultra -modern solutions resonates with my personality. Moreover, the commitment towards work and relentless efforts to create the products of exceptional quality and standards, sync with my belief.

I welcome you to this journey of luxury indeed to a journey of Great.

Secure your world with the power of 3

At GreatWhite, we believe in uncompromised safety. With this unwavering belief, we have created Secure-X wires and cables with triple layered Insulation that provides three times more protection than ordinary cables. The wires & cables have a heart of the copper with highest purity electrolytic grade and it's insulated with a superior grade PVC compound, tailor made for each cable. Manufactured at state-of-the-art facilities with best manufacturing practices adhering to international standards, our wires and cables are safe and reliable.

The range includes Single Core PVC Insulated Wires for residential purpose. The category also includes Panel Wires, Multi Core PVC Insulated and Sheathed Cables adhering to BS and International Standards.

WIRES & CABLES

Brighten up your world with the Great

Lighting enhances the mood, accentuates your decor and sets the tone of your room. At GreatWhite, we believe that a perfect light setting is equally important as your other decor elements. Also, as the world is moving towards energy conservation, GreatWhite brings you energy efficient LED lighting solutions that amp up your home décor with its impeccable design and reduce energy consumption too.

GreatWhite has a wide range of lighting solutions with down lights, panel lights, surface lights, COB lights, street lights, outdoor lights and more, designed for residential and commercial spaces.

LIGHTING

Safeguard your world with the Great

With GreatWhite's Switchgears, we have set a new benchmark of safety. Bring a new dimension to security with GreatWhite Distribution Boards (DBs), Miniature Circuit Breakers (MCBs) with 10kA breaking capacity and RCCBs. GreatWhite's Switchgears protect you against electrical hazards with its dual protection features namely Thermal Overload Protection and Magnetic Short Circuit Protection.

GreatWhite Switchgears are designed to meet the most stringent Indian and International standards and passes all tests of safety for residential and industrial use.

MCBS & DBS
